Dear CUSTOMER

July 2016

Object: DIRECTIVE 2011/65/EC – RoHS2 (see product list on RPE portal - <http://www.rpesrl.it>)

Dear Customer,

on behalf of the Company R.P.E. Srl inform you that our products are compliant with Directive 2011/65/CE as they are not intentionally added ingredients such as lead, cadmium, mercury, hexavalent chromium, PBB (polybrominated biphenyls, "Polybrominated Biphenyls") and PBDE (polybrominated diphenyl ether, "Polybrominated Diphenylethers ").

Traces of heavy metals that may be present in certain articles made from these materials are supplied less than 0.01% (cadmium) and 0.1% (lead, mercury and hexavalent chromium) in accordance with European Directive 2000/53/EC, Annex II (Commission Decision of 27/06/02 - 2002/525/EC).

RPE also undertakes to keep abreast of the future developments, amendments and integrations to the ROHS DIRECTIVE and guarantees that the PRODUCTS will always be in conformity with its requirements up to the delivery date.

At your disposal for any information we send

Best regards

Filippo Ravazzani
